## Summary

Microfic/flash fic. When a new customer comes to Percival to have a new dress made, he has to kill her because his wife needs fresh meat. But this woman, Marie, is so beautiful that Percival wants to have a little fun before doing his job.

- A translation of [Belle Marie](#) by [MiaQc](#)

When a new customer comes into my store to have a new dress made, I know what I have to do. Kill her. After all, my wife, Hildred, needs fresh meat for her tavern. This isn't the first time I've killed a woman and it won't be the last. But this woman, Marie. She's so beautiful. Hildred will forgive me, but I can have a little fun before I do my dirty work.

Before Marie can understand what is happening to her, she's naked, on the cloth table, at my mercy. My hands are on her tits, my lips are on her neck, my cock enters her pussy. Marie wants to scream, but I had gagged her with a piece of cloth. She is mine. My mouth tastes her whole body, my hands explore all her flesh, my dick continues to thrust into her pussy. When Marie cum, I remove myself from her, while throwing her on the floor. Marie never got up again. A blow of my scissors into her throat and that was her end. I throw her corpse down the hatch to the kitchen, clean up the blood and semen, and wait for my next client.
